

Instructions To Print Louisiana Tobacco Quitline Enforcement Cards

In order to remind your patients/clients that your facility is a Tobacco-Free Campus, QuitWithUsLa has developed printer-friendly Enforcement Cards that can be used in your healthcare facility.

To print Louisiana Tobacco Quitline Enforcement Cards, please do the following:

1. Place Avery or compatible business cards (card type #5371, #8371, or #8871) in your printer
2. To print Enforcement Cards, click [here](#)
3. The cards will print in either black/white or in color depending on your cartridge type
4. Tear Enforcement Cards along perforated edges to separate
